

The tempest on the lake

Refrain : *Soliste*

*Jesus is here,
In the tempest,
In the tempest on the lake,
And even if we're
Afraid and hopeless
The biggest wave, Jesus can take.*

Choeur

Jesus is here
In the tempest
On the lake
And even if we're
Afraid and hopless
He can take (bis)

Strophe 1 (choeur)

The wind is blowing on us,
A mighty storm is coming,
And the blue sky is turning black.
But even if our Jesus,
Looks quiet and asleep
To the shore, he'll bring us back.

Strophe 2 (choeur)

All free at last on dry land,
We sing and praise our Jesus,
Who's giving us bread and wine.
And then he lays his hand,
On ev'ryone of us,
To give us his love divine.

Bridge : Solo

*Oh God, our faith is small,
Teach us to trust in you,
What we need you have it all,
Yes, we can lean on you*

Choeur

Jesus is here in the tempest

Jesus is here in the tempest
